

include/constraints  
/constraint.hpp

```
graph BT; A[include/solver.hpp] --> B[include/constraints/constraint.hpp]
```

The diagram consists of two rectangular boxes. The top box is shaded gray and contains the text 'include/constraints' on the first line and '/constraint.hpp' on the second line. The bottom box is white and contains the text 'include/solver.hpp'. A blue arrow points vertically from the top of the bottom box to the bottom of the top box, indicating an include relationship.

include/solver.hpp
